

Tony Wetherell and Martin Penty.

spread across the bay searching for a stray breath of wind. With still 1/2 mile to go the time limit expired, leaving Wetherell (sunbathing on the rocks) smug, Rush (1/2 way down the fleet) relieved, a lone brave Frenchman (who had short tacked right around the edge of the bay to a position up-current of the finish line) disappointed, and the rest of the fleet convinced that they would have won!

Wetherell won the championship by combining decisive tactics with excellent offwind speed, and good upwind speed through the range of conditions. Sailing with a lightweight crew he used his own sails on a Proctor 'D' mast which looked to be set up straighter than the traditional "Prebent 'D'" rig. Wetherell used a borrowed "High Performance Sailboat". Rush took runners up spot more

through determined consistency than outstanding boat speed, again he was at his best offwind, using a Superspar/Alverbank rig on his Malcolm Goodwin hull.

At the prizegiving the top table was laden with prizes, trophies and other goodies and those at the rear of the room with canapes and wine - white this time! Following farewell speeches by the Commodore of the Club del Mare, the Mayoress of Diano Marina, the Official Sponsor of the Regatta and other dignitaries, Tony Wetherell on behalf of the competitors thanked the organisers for an enjoyable and successful championship and Antoine Goethals, after expressing Fireball International's appreciation of the generosity and hospitality of our hosts, presented bouquets to the Signoras Wilma Negri, Marina Fornaciari and Anna Merlino.

The trophies and prizes including 'specials' for the leading lady in the fleet, the youngest and the oldest sailors, and mementoes for the lady interpreter, the Race Committee and the Jury were then distributed and finally Christoph Heinrich's small daughter contrived to draw the winning raffle ticket and so her daddy took home the painting of "Figures in an Interior" by Walter Mazella of Turin.
